Each year since 1981, *Wine Spectator Magazine* has selected wine lists from around the world to participate in their restaurant awards program. The awards are based on quality of selections, number of listings, depth of vintages and growing regions from top producers and the relationship between the wine list and restaurant fare.

This year, Shapley's has again received Wine Spectator's highly coveted *Best of Award of Excellence for 2013*. This award is another symbol of our continued commitment to offer our diners the highest quality dining experience available.

We would like to take this opportunity to thank you, our guests, for your continued patronage. Without your support none of this would be possible.

Please enjoy your evening!
